DR. CARMICHAEL FOR CHAPLAIN.

(Continued from First Page.) grams from newspapers on this subject Sunday. He told a reporter that he knew nothing about the story more than what the telegrams from newspapers had told him.

Mr. Roosevelt is the former head of the Police Department of New York. He has a ranch out West where he spends much of his leisure time. He is expert horseman and can give some of the cowboys a few lessons in daring riding.

General Lee says the State militia will probably be called out to-day. It is understood that the first call will be for 50,000 troops and each State will furnish numbers in proportion to its militia strength.

General Lee had a busy day Sunday. In the morning he attended the Davis Memorial service at St. Paul's. Mrs. Lee, Miss Cisneros and Miss Lee accompanied him. There was a big crowd on the outside of the church but no demonstration was made as the General and his party passed through the lines of people into the building.

General Lee returned to her residence in company with a lady friend. In the afternoon General Lee and Mrs. Lee called on Mrs. Jefferson Davis at the Jefferson Hotel. At night the General received a large number of visitors at his residence.

LEE'S MOVEMENTS YESTERDAY. General Lee came out with the General Dabney H. Manry leaving on his arm. They went to the Westmoreland Club. It was apparent that the people who thronged the sidewalks could hardly keep from giving expression to their enthusiasm.

General and Mrs. Lee were entertained at dinner by Mr. and Mrs. Charles U. Williams.

CRESCO KILLED. Venezuela's President said to have Fallen in Battle.

NEW YORK, April 18.—A special cablegram (copyrighted) from Caracas, Venezuela, to the Evening World, says that President Joaquin Crespo of Venezuela, was killed in battle with Hernandez, the leader of the rebel forces, last Friday.

WASHINGTON, April 18.—The Venezuelan Legation has received no report of ex-President Crespo's death.

A Protest From Winston. WINSTON, N. C., April 18.—Special.—The Winston tobacco manufacturers met this afternoon and appointed a committee to go to Washington to-morrow and work against the proposed increase in the tobacco tax.

Excitement in Porto Rico. ISLAND OF ST. THOMAS, WEST INDIES, April 18.—To-day's advice from the Porto Rico, report that the excitement in the island is increasing, and the inhabitants are deserting the coast for the interior. Military drills and activity continue.

WEATHER FORECAST. WASHINGTON, April 18.—Forecast for Tuesday: Virginia—Rain, southerly winds; North and South Carolina—Threatening weather, with rain in the interior; southerly winds.

RANGE OF THERMOMETER. The following was the range of the thermometer at The Times office yesterday: 9 A. M., 76; 12 M., 83; 3 P. M., 86; 6 P. M., 81; 9 P. M., 63; 12 P. M., 58; average, 74 1-2.

DEATHS. BLANTON.—Died, Sunday, April 17th, at 8:45 P. M., at the residence of H. M. Alford, 143 Floyd Avenue, CLAUD SHUMAN, infant son of R. E. L. and Ida Shuman Blanton, of Caroline county, aged three months.

CLEMENTS.—Died, at 6:30 A. M. to-day, at the residence, 1113 West Main street, HARVEY M. CLEMENTS, son of W. H. and H. Clements, and son-in-law of Sergeant J. A. Oley.

FUNERAL WILL TAKE PLACE TO-DAY (Tuesday) EVENING at 8:30 o'clock from the residence. Friends of the family invited to attend.

GWATKIN.—Died, suddenly in New York, April 18th, NETTIE, beloved wife of C. O. Gwatkin, formerly of this city.

PHILLIPS.—Died, in Philadelphia, Pa., Sunday, April 17, 1898, T. W. PHILLIPS, of Hampton, Va.

The funeral will take place in Hampton Tuesday evening.

Interment at Oakwood.

leaves four brothers—J. T. Giddings and H. F. Phillips, of Hampton; J. W. and W. W. Phillips, of Richmond; and two sisters—Mrs. W. V. Ball and Mrs. E. M. Watkins, of Richmond.

THE SOMERS IN MORE TROUBLE. PALMOUTH, ENG., April 18.—United States torpedo boat, Somers, purchased for the American Government by Germany, which has twice had to make port while on her voyage to the United States, collided this afternoon with the masonry pier at the entrance of the dock, in which she was being placed for repairs, causing her machine having made her leak in several places. As a result of to-day's

collision, the stem of the Somers was smashed.

The Flying Squadron. PORT MONROE, VA., April 18.—The news from Washington, that definite action might be taken to-morrow, put men and officers of the Flying Squadron on edge, and they were kept on edge all night for a brief period, and successfully.

The Rodgers torpedo boat ran into Norfolk after an absence of trial of twenty-four hours, with satisfactory results.

Commodore Schley has not received any moving orders as yet.

Had Cut the Cable. KEY WEST, FLA., April 18.—It was learned to-day that the cable between Key West and Punta Rasa had been cut about two miles this side of Santhal Island. The cable was kept secret and the break has been repaired. The incident looked suspicious, as the broken end of the cable showed that it had been cut clean through.

Captain Farnsen learned of it to-day from the Naval Department at Washington. It has been decided to establish a careful guard in those waters and any suspicious craft will be summarily dealt with.

Dynamite For Mines. NEWPORT NEWS, VA., April 18.—A car-load of dynamite arrived here late last night, and was forwarded immediately to Portress Monroe, to be used in the sub-marine mines, which are now being laid at the Virginia capes.

Still Hopeful. PHILADELPHIA, April 18.—President Thompson's resignation of the War Department, which was kept secret and in fact there was considerable doubt as to whether this transfer will be made at all at present. The matter has been brought before the President for his consideration and strong representations have been made to him that the vast work of organizing, arming and equipping the considerable army that undoubtedly will be required in case of hostilities could be discharged better at Washington than in the South.

PHILADELPHIA, April 18.—President Thompson's resignation of the War Department, which was kept secret and in fact there was considerable doubt as to whether this transfer will be made at all at present. The matter has been brought before the President for his consideration and strong representations have been made to him that the vast work of organizing, arming and equipping the considerable army that undoubtedly will be required in case of hostilities could be discharged better at Washington than in the South.

ARMY HEADQUARTERS. No Date Fixed for Transfer—President Thompson's Special Aide. WASHINGTON, April 18.—No date has been fixed for the transfer army headquarters from Washington to the South, in fact there was considerable doubt as to whether this transfer will be made at all at present. The matter has been brought before the President for his consideration and strong representations have been made to him that the vast work of organizing, arming and equipping the considerable army that undoubtedly will be required in case of hostilities could be discharged better at Washington than in the South.

TO PROTECT FLORIDA. Her Senators Urge That Fortification Work be Pushed—Small Arms. WASHINGTON, D. C., April 18.—Among Secretary Alger's visitors to-day were Senators Pardo and Mallory, of Florida, who are urging the War Department to rush the fortification work on the Florida coast. They also asked that the War Department allot to the citizens of the State, particularly those along the coast, a quantity of small arms, for use in equipping such of the militia as may be without these requisites of defence. As Florida promises to be a theatre of hostilities in the event of war, the anticipated incursion of the small marauding parties from ships along the immense stretch of coast, and feet that some means should be devised of protection from them.

A delegation from Fernandina is to come before the Secretary to-morrow.

FORTIFYING THE CANARIES. The Warehouses and even Churches Used to Quarter Troops. TENERIFFE, CANARY ISLANDS, April 18.—The Spanish authorities have secured all the principal warehouses at this place and at Grand Canary for the accommodation of troops, expected to arrive here. Even the churches are to be used for military purposes, and the small marauding parties from ships along the immense stretch of coast, and feet that some means should be devised of protection from them.

NO MORE WARSHIPS. Efforts to Secure the O'Higgins Practically Abandoned. WASHINGTON, D. C., April 18.—It was stated at the Navy Department this evening that the efforts to secure the Chilean battleship O'Higgins have been practically abandoned, and that there is no longer any prospect that the United States desires or will be able to secure any more warships, either belonging to foreign nations or being built in foreign ship-yards.

Power of the Dollar Practically Demonstrated. Silvertown Golf Balls 25c. Henley Golf Balls 25c. 1898 Wonder Bicycles \$22.50. 1898 Spalding Bicycles \$30. Elegantly equipped for Bicycle Repairing. Harris, Filpen & Co. 307 E. Main St., Richmond, Va.

FORGOT THE ARMISTICE. Insurgents Attack a Spanish Fort and Enter and Plunder the Town. HAVANA, April 18.—News of further fighting between the insurgents and Spanish troops in the Province of Pinar del Rio, made an attack two days ago upon the Spanish fort at Espinosa.

REAPPOINTED. The Speaker again appointed Messrs. Adams, Heatwole and Dinmore conferees. A recess was then taken until 11 o'clock.

At that hour the House took another recess until 1:30 to give the conferees another opportunity to meet.

At 11:30 the House was finally notified of the action of the Senate and another recess until 12 o'clock was taken immediately.

At midnight the House recessed until 12:30 A. M., to await the action of the conferees.

The House as soon as the conferees report had been presented, Mr. Adams moved the adoption of the report and upon that motion he demanded the yeas and nays and the roll was called.

The demand for the previous question cut off debate, and Mr. Bailey and Mr.
